

Discovery - The Lace Guild Competition and Exhibition 2019

Please carefully read the schedule and the rules overleaf before planning, making, packing and submitting your entry, particularly with regards to total size of the piece (classes 15, 16 and 17) and the overall size and weight of the parcel containing your entry.

Section A - Traditional Laces in a Traditional Style

Lace in this section does not need to be linked to the theme Discovery. Work should reflect the traditional laces and encourage a high standard in technique.
